

# Annual Ryan Recognition Awards

## Dear Local Resident,

Do you know someone in the Ryan community who deserves a special 'thank-you' for their contributions to our local community? Then nominate them for a Ryan Recognition Award!

I established the annual Ryan Recognition Awards in 2002 as a way of recognising and saying 'thank you' to local residents who work tirelessly for our local community.

The award recognises local residents and students who have made a positive impact on our local community through their involvement in sporting, cultural or community focused activities.

If you know of someone who deserves special recognition, please take the time to complete the attached nomination form.

As always, if I can be of further assistance to you as your local Federal Member, please feel free to contact me.

Regards

**Michael Johnson MP**  
**Federal Member for Ryan**
